

race AGAINST racism

YWCA YORK | April 25, 2026

Each year, our community comes together in solidarity for equality, inclusion, and justice for all. This important event is a 5K run, race, walk, or stroll! Proceeds support YWCA York's mission of advancing racial justice in York County. Our racial justice program strives to transform social inequities in our community, schools, and organizations through education, open dialogue, and inviting others to join us as anti-racist allies.
